That's just not true, says HD DVD man Olivier Van Wynendaele, and it doesn't really work for HD DVD movies on the Xbox 360 either. Van Wynendaele - who's the spokesman for the HD DVD Promotion Group - made the claims during an exclusive interview with Tech.co.uk conducted yesterday. File Size: 651MB. To chase his dreams of a rockstar, the wanna-be singer his counseled that music and feelings only come with pain. Things go awry when the two share an intimate moment, and Jordan is deported to India on trespassing charges filed by Heer's husband. He also said that the majority of PS3 owners didn't know their consoles could play movies, period. "[According to] the independent figures we have from independent research companies and so on, it appears that 60 per cent of games console owners don't know they can play movies - either DVD or Blu-ray - in the PS3. It was the cheapest HD DVD player in the market, but still less than 10 per cent of Xbox 360) games console owners have purchased it."He also said that Microsoft's own research had concluded that console owners play a game for an average of 400 hours, but only spend three hours a month watching movies. "That's why we don't see on the PlayStation 3 side why gamers would behave differently than on the Microsoft side."Perhaps someone from the Blu-ray camp would care to explain? As he bides his time at a local mosque, his passion for music comes back to life. Only 13 per cent of PS3 owners have watched a movie on their games console If you believe the Blu-ray Disc Association (BDA), millions of PlayStation 3 gamers all over the globe are watching movies on their consoles. In the process of which, he meets Heer, a tough on the outside and popular college girl, the both become friends, and as time passes by his dreams of music fade away as they spend time together. Film Stars: Ranbir Kapoor, Nargis Fakhri, Shammi Kapoor. He is soon signed by a record label, where he makes more enemies than friends, his tour takes him to Prague, where he is reunited with a married Heer. People are buying their consoles to play games, not to watch movies. "The HD DVD experienceFor further evidence, Van Wynendaele turned to Microsoft's record with the HD DVD add-on for the Xbox 360: "The attach rate is less than two digits. 13 per cent are actually using their games console as a player, and the rest are not. That means at least 60 per cent are not active." Even among the remaining 40 per cent...
